WHITWORTH POOL

01706 852694

First of all thank you for volunteering to become a poolside assistant.

Becoming a pool side assistant can be very rewarding and here are a few things that it can help towards:

- It can give you a stepping stone to becoming a fully qualified swimming teacher
- It can help you in school/college with your Duke of Edinburgh qualification
- It can contribute towards "volunteering badges" with guides/scouts
- It builds confidence in working with children
- We can give you a reference if and when needed.

Some examples of this are:

- A number of our assistants go on to become life guards
- Some have used our references when applying for summer jobs at places like camp America
- Plus we've even given references for teachers attending universities.

As an assistant your role will be to assist and support the qualified swimming teacher you are assigned to. Some of the jobs required will be:

- Putting registers out
- Getting equipment and putting equipment away
- Assisting with lesson
- Demonstrating equipment
- Encouraging children
- Ensure swimmers are safe in the water
- Sometimes you may be required to enter the water with the children

Plus additional duties you can assist with:

- Contributing to distance nights
- Helping at the annual gala
- Supporting the Splash n Dash Challenge
- Participating in the Medal Celebration and Christmas Party

If at any point you feel you cannot do what is asked then let a teacher know straight away.

ANY PROBLEMS DO NOT HESITATE TO CONTACT:

KIM BLEZARD OR MIKE BURGESS

Training

Full training will be provided plus guidance given from the qualified swimming teachers.

- We are affiliated to the STA and follow their policies and guidance on pool safety.
- We follow Whitworth Leisure Centre operating procedures.

Poolside Clothes

- Shorts (not denim) / t-shirt and inside footwear must be worn at all times.
- It is advisable you bring a change of clothes (in case you are required to assist from IN the pool)
- Long hair must be tied back
- **NO OUTSIDE FOOTWEAR**
